Digital Transformation

**FUND
A TREE**
A PROJECT OF GOVERNMENT
OF KHYBER PAKHTUNKHWA

The Government of Khyber Pakhtunkhwa achieved its target of planting 1 billion trees in the province. But Khyber Pakhtunkhwa needs to be greener. The Fund-a-Tree is a crowd-funding platform, developed by the KPITB. Now everyone from anywhere around the world can fund a tree(s) that will be planted in Khyber Pakhtunkhwa.

2018 Year of
Digital Transformation

Completely digitized recruitment process having automated rule-based shortlisting, computer-based testing (CBT) modules. IMTEHAN minimizes human intervention in the recruitment and screen-testing process thereby enabling efficiency, transparency, and credibility of the recruitment process.

2018 Year of
Digital Transformation

A digital governance initiative of the KPITB for better policing and improving Government to Citizens engagement. The ITTELA platform enables digitization of FIRs and its allied information registers for better, efficient and transparent policing in Khyber Pakhtunkhwa. ITTELA is initially launched in district Malakand and during 2018 the deployment will be complete across Khyber Pakhtunkhwa.

2018 Year of
Digital Transformation

**PAKISTAN
DIGITAL CITY**
HARIPUR, KHYBER PAKHTUNKHWA

The moza Kotal of district Hairpur is transforming into what is envisioned to be the first Digital City of Pakistan. Located in the scenic valley, spanning over 4000 kanals, the Pakistan Digital City has close proximity to the capital territory of Islamabad (21 kilometers from F6 Markaz) and to the International Airport. The PDC is planned to house different ICT industrial clusters and will provide a complete ecosystem with attractive investment opportunities. The PDC is one of the major projects of the Government of Khyber Pakhtunkhwa for transforming the economy of the province into a digital economy deriving jobs, growth, and innovation.

2018 Year of
Digital Transformation

The pace at which our professional, and social lives are becoming dependent on the internet is unprecedented. Protecting our online presence and cyber assets has never been as important as it is now and in the future. The KPCERC is a pioneering initiative by the Government of Khyber Pakhtunkhwa to institutionalize Cyber Security and to promote the practices as a way of life both at work and at our homes.
